9. On the giving page provide the gift details and select the appropriate place to direct the gift. The default is the 'General Fund'. This fund provides our church with the most flexibility in fulfilling our mission and sustaining the life of the church.

10. There are transaction fees that apply to online giving (\$0.30 per transaction and 2.9% bank processing fee). Consider clicking the box 'Cover Fees' so the church receives the full gift stated, otherwise these transaction fees will be subtracted from the stated amount. Click the 'Give *amount*' button at the bottom to authorize the secure transaction.

11. Acknowledgement of the gift is provided after the secure transaction is complete. You can close the page at this point.
